*T*HE HISTORY of America's Great Southwest and the wondrous State of Arizona is filled with colorful chapters written by Spanish explorers and missionaries . . . Indians and frontiersmen . . . prospectors and cowboys . . . ranchers and early settlers.

Today, exciting new chapters in Arizona's history are a'making as ever-increasing numbers of Americans "discover" its sunny, healthful climate, natural wonders and wide-open opportunities. I'm mighty proud to be an Arizonian and thrilled to see its jet-age growth.

A straight-forward message from Will Rogers, Jr.,  
Arizonian and friend of GAC Properties Inc. of Arizona
